

Chico DeBarge, Give You What You Want (Remix)

(feat. Trina)

[Trina]

Uh, Trina, Chico
Yeah, Slip-N-Side collabo
Uh-huh, where ya at?
Untouchables, Soul Central uh in da house
Trey plus

So you wanna be a baller, huh?
Won't you write my number down?
Chico call me ma and I'mma call you pop
And I'mma make em drop but only if I have to
Career once I get a tattoo
Nice shape, ass fat too
I wanna do it at a Heat game
Can you give me what I want man?
Three sets I want the wealth
Cause I'm a freak and I'm made fo' self

[Chico DeBarge]

Baby, baby, let's take our time (time)
Cause if we gonna do it
Might as well do it right (right)
Lock the doors, turn off the phone (phone)
Shut the windows cause girl it's on (it's on)
All alone, just me and you (you)
Four walls and an empty room (room)
Squeeze you tight and hold you close (close)
Kiss you where you know you need it most (most)

[1: Chico DeBarge]

I'mma really give you what you want
We can do whatever turns you on
I'mma make your fantasies
Become reality, for sure

I'mma really give you what you want
Show you how I flip it back to front
Tell me what you need from me
And I will guarantee, for sure

[Chico DeBarge]

All we need is a place and time (time)
Set the pace, and free our minds (minds)
Let it go and let's explore (explore)
Every single thing that you wish for (wish for)
I only need a chance to make you feel (feel)
The closeness that we share is very (real)
I'mma lay back, let you choose
Cause what I'm giving you is just for you

[Repeat 1]

[Chico DeBarge]

You feel my rain
The seasons change
The fire and the flames
Inside my gentle touch
You feel my rush
Of love, so come with me, yeah
I got something to prove
So let me do my thing
I will take my time babe

For sure

[Trina]

Yo, yo, yo, yo baby pop lemme get on top
Okay that'll make me hot
And if you aim to please then I won't
And I need a lot like a few g's on the spot
I want a man who ain't scared to lick
And who can handle it
Real thug keep my candle lit
So scandalous, I like it in the shower
Trembling, losing power, uh
Big spender
I want the kitty cat to purr when you climb up in her
Cause Trina want it all y'all
Big house, big yard, big six, and a big garage
Good dick and a back massage
So good make me ask for God
I want the money and the Mastercards
So we can splurge for days
Like Rick said
Give it to me, give it to me, okay

[Repeat 1 till end]
