

# Chief Keef, Ain't Missing You

I ain't missin' you at all  
Since you've been gone away  
I ain't missin' you  
No matter what my friends say

I was sittin' at home, I was rollin' a blunt  
I was thinkin' 'bout you been dead gone  
Got a call from my boys like, "Your cousin is dead"  
I was like, "He couldn't have had his head on"  
I be suited, I be booted, ready for anything  
Give me the chance then I'll head home  
I pull up, get that check, when I leave best believe  
On the freeway I'm headin' home  
I done partied, I done sipped Bacardi  
Rollin' with Blood, we done crashed all the parties  
We done rode Ferraris, rode Lamborghinis  
Now only thing that I care about is breathing  
Why I go hard, Blood be the reason  
Wouldn't want me to quit even if I was bleedin'  
Gotta take charge, every four seasons  
Every month, every day and every weekend

I bet you remember posted on the block  
All we knew was shots  
We ain't really know about the guap  
All we knew was Glocks  
I remember when you called my phone tweakin'  
You got your first deal, you was geekin'  
Remember when I got my first deal, I hit you on the phone  
Like for now I am Chief Sosa Yeezus  
You was like, "Nah you're Almighty"  
Almighty don't like nobody  
Shootin' .40 cal, now we gettin' 40  
Bands for a show and we stay 'til the morning  
God chose us, and gave it up  
Dead or alive, niggas still hatin' us  
It's the end of the quarter, I'm a rock with sticky D  
I'ma pass the pall to you and you can hang it up

No matter what I might say  
No matter what you might say  
No matter what I say  
No matter what your friends say  
No matter what our friends say  
No matter what, what I say  
No matter what, what I say  
Just know this, I miss you Big Glo
