

# Chief Keef, Aint Done Turnin Up

I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch  
I ain't done turnin' up, bitch

Say, I ain't done turnin' up, shit  
I'm too busy turnin' up shit  
Countin' guap, bitch I get it quick  
Try and take it, you'll be burnin' up quick  
Tadoe off the drugs on that fuck shit  
Bad yellow bone doing my laundry  
You say you wanna fuck, well I want some head  
I've got a hundred dollars, where you want it at?  
Cause I'm countin', girl, I'm money countin'  
I ain't gotta count it, I've got a money counter  
I'm up here at the top, started from the bottom  
I can't really trust niggas, so I gotta watch 'em  
Cause these niggas plottin' cause I'm gettin' guap now  
Back then they didn't want to fuck with me  
But they fuck with me cause I'm hot now  
I see what Mike Jones was talkin' 'bout  
Now I'm 'bout to pour a four and smoke my lungs out
