

Chief Keef, Carolina

Aye, aye
Gang!
Gang in this bitch, nigga
Aye
Skuddu skuu, nigga!
Ain't no Ralph though

I pull up smokin' stinky marijuana
All the hoes jocking, niggas lookin' dumb
Pulled up parkin' lot, pimpin' like I play with Jordan
Choppas wavin' in the air like I'm from North Carolina
Chief Sosa be smokin' ganja
Chief Sosa can fuck your mama
Chief Sosa ride Rangers and ride Hummers
Chief Sosa bought a Beamer for the summer

Bought twenty Monclers for the winter, aye
200 choppas for all of my enemies
He think it's sweet, it's chips, this choppa finna lay
That nigga try to run, this choppa finna spray
Sig on me cause that's how I feel today
I got money, don't care 'bout a damn old case
Got lead and pen on me, blood I'm finna paint
I found some money, took it on a dinner date
Aye, wait, skate
Pull up in that thing
In the truck, Lil Wayne
Hop out, smoke a stain
In my pocket bang
In my Johnny Dang
It's a lot of bling, aye bling

I pull up smokin' stinky marijuana
All the hoes jocking, niggas lookin' dumb
Pulled up parkin' lot, pimpin' like I play with Jordan
Choppas wavin' in the air like I'm from North Carolina
Chief Sosa be smokin' ganja
Chief Sosa can fuck your mama
Chief Sosa ride Rangers and ride Hummers
Chief Sosa bought a Beamer for the summer
