

# Chief Keef, Chiraq

Can't even be in own my hometown  
They said that I wouldn't make it out (I made it to Beverly)  
My aunty miss her baby  
My grandma, that's who raised me  
My mommy is my queen, that's an understatement  
That's probation, move vacation  
Let's toast to more life and more paper  
She don't love you, then replace her, like peace see you later

Chiraq, Chiraq  
Chiraq, Chiraq, I will come back  
Don't lie, don't lie  
Don't die, don't die, I will come back to you

They trying boobie trap you go around  
10 toes I'ma stand my ground, if I lean baby hold it down  
Used to steal my granny car to ride around  
Everybody be like we ain't coming home  
Tryna get my life straight, I need a comb aye  
I've been busy out here on my own, tryna figure out a way to live on  
We will let you go

Chiraq, Chiraq  
Chiraq, Chiraq, I will come back  
Don't lie, don't lie  
Don't lie, don't die, I will come back to you

Light gettin' at me, like an Oakland Raider  
But I'm a player, lady persuader  
You a alligator, I'm a tiger  
Can't see the vision hand on the bible  
I'm a desciple, so I'm forever ridin' (yeah)  
If you against me, you're my rival (yeah)  
It's people waitin' on my arrival  
If you miss, shit, it's gon fly right by you  
My daughter told me daddy: "I admire you", aye

Waitin' on my own, but I keep believin'  
Waitin' on my own, but I keep believin'  
Waitin' on my own, but I keep believin'  
Love will come back  
Waitin' on my own, but I keep believin'  
Waitin' on my own, but I keep believin'  
Waitin' on my own, but I keep believin'  
Love will come back  
Love will come back  
Love will come back  
Love will come back to you

Chiraq, Chiraq (Chiraq, Chiraq)  
Chiraq, Chiraq, I will come back  
Don't lie, don't lie (don't die, don't die)  
Don't lie, don't die, I will come back to you

When you come home  
She don't love you, then replace her, like peace see you later  
Stay mad
