

Chief Keef, Getting Dough

I be getting dough
(Getting dough, getting dough, getting dough)
I be getting dough
(Getting dough, getting dough, getting dough)
I'm smoking dope, got pound and hoes and you know
I be getting dough (I be getting dough, I be getting dough)
I be getting dough (I be getting dough, I be getting dough)
I be getting dough (I be getting dough)
I fucked your hoe, kicked her out the door
Told her don't come back no more
'Cause I be getting dough, aye, aye
I be getting dough

I be getting dough, smoking dope with my pole
I be getting dough, fucking hoes with my bros
I be getting dough, riding 'round my city
I be getting dough, I ride with my 50
I be getting dough
I be fucking hoes and I be spending rolls
I don't spend rolls on hoes, that's a no no
You know how I rock and how I roll though
I'ma spend it on some clothes though
Spend it on some furniture for my house though
Spend 2 thousand on a couch though
Spend 3 thousand on my mattress just to slouch on
What you house on?
I'm only 18 with a house long
It's all on me
My house so long and I am looking to my car

I be getting dough
(Getting dough, getting dough, getting dough)
I be getting dough
(Getting dough, getting dough, getting dough)
I'm smoking dope, got pound and hoes and you know
I be getting dough (I be getting dough, I be getting dough)
I be getting dough (I be getting dough, I be getting dough)
I be getting dough (I be getting dough)
I fucked your hoe, kicked her out the door
Told her don't come back no more
'Cause I be getting dough, aye, aye
I be getting dough
