

Chief Keef, Gotta Glo Up One Day

Bitch, you gotta glo up one day
Bitch, you gotta...
Bitch, you gotta glo up one day

Pull off in the rari, shit I gotta glo up one day
I don't fit nobody bitch, yeah I blow up for days
Don't make me get this fucking bitch
I gotta glo up one day
Baby you should let me fuck, shit you gotta glo up one day
I'm the man, I'm the man baby
I'm a glo man, bitch you can't shake me
I'm gloed up, gotta get more money on my baby
Saying you don't wanna fuck me, bitch you must be crazy

Bitch, you gotta glo up one day
Even pour you one
I take somebody whole life savings, just spend it on one
Blow and turn yo whole Block into a runway
I'm bout to go and everybody gotta glo up one day
