Byloland

Mama takes baby to Byloland,  
Where she can see the sights so grand;  
When the first stars in the bright skies peep  
Mama rocks baby to sleep.  
Bylo! Bylo! Baby is going to Byloland!  
Bylo! Bylo! Baby is going to sleep.

Mama takes care of you all the day,  
Watches your steps so that you don't stray;  
Cares for you all thro' the sunshine bright,  
Cares for you all thro' the night.  
Bylo! Bylo! Baby is going to Byloland!  
Bylo! Bylo! Baby is going to sleep.

Mama tells stories at close of day,  
Mama will kiss all your tears away;  
Now, little one, not another peep,  
Mama rocks baby to sleep.  
Bylo! Bylo! Baby is going to Byloland!  
Bylo! Bylo! Baby is going to sleep.
