

# Chilliwack, I Believe

I was lost in time  
Feelin' like the victim of a perfect crime  
Until that night I met you  
How was I to know just what your love could do  
Now I believe there has been a change in me  
Yeah I believe that it was meant to be  
Oh can't you see I believe in you and me?  
In the dark of night we can be  
What we would like to be  
And it's all right  
When it's you, you and me girl  
Well I feel like  
We're the only people in the world  
I believe there has been a change in me  
Yeah I believe that it was meant to be  
Can't you see I believe in you and me?  
Oh it's so easy, so damn easy to see  
The way I feel for you and you for me  
Now I believe there has been a change in me  
Yeah I believe that it was meant to be  
Can't you see I believe in you and me?  
Oh can't you see I believe in you and me?  
Oh can't you see I believe in you and me?  
Oh can't you see I believe in you and me?  
Oh can't you see I believe in you and me?
