

Chimaira, Cleansation (Live)

This is cleansation
Go

What do you expect from me?
Will I ever be what you want me to be?
Will I ever live up to your standards?
Will you always look down on me?
Maybe I'm not who you are
Maybe I want to be myself
Live the life I've always dreamed about
This is not your path to choose

Yes I taste it
Yes I breathe it
Yes I hate it
Yes I feel strain from
Our separation
But
This is my life, this is my life
My cleansation
Our separation
This is my life, this is my life
It's not yours anymore
Go

Why did you insist on ruling?
Why did you try and control?
Why didn't you ever listen to me?
Ignored me like a dog
Maybe I'm glad we're apart
Maybe I'm glad we don't speak anymore
I feel better now
Now that you're gone

Yes I taste it
Yes I breathe it
Yes I hate it
Yes I feel strain from
Our separation
But
This is my life, this is my life
My cleansation
Our separation
This is my life, this is my life
It's not yours anymore

C'mon, now let me see the goddamn horns in the fucking sky
Go

Yes, yes, yes, yes
Yes I taste it
Yes I breathe it
Yes I hate it
Yes I feel strain from
Our separation
But
This is my life, this is my life
My cleansation
Our separation
This is my life, this is my life
It's not yours any
More

This is my life

This is my life
This is my life
Now that you're gone
