

China Crisis, Christian

This is emotion
emotion less war
a torn shirt and a long dead cause
I can't sleep
this kind of thing gets me down
don't say walk
I may lose my fear
I could lose myself
in this honesty
I read all sorts of things
there's so much to learn
I've seen the hand that rushes in
as it rush over you
I could lose myself
in this honesty
"Christian"
