

# China Crisis, Christian

This is emotion  
emotion less war  
a torn shirt and a long dead cause  
I can't sleep  
this kind of thing gets me down  
don't say walk  
I may lose my fear  
I could lose myself  
in this honesty  
I read all sorts of things  
there's so much to learn  
I've seen the hand that rushes in  
as it rush over you  
I could lose myself  
in this honesty
