## China Crisis, You Did Cut Me

Hear my silence, see my blindness A love ascending, and never ending You did cut me, from the same tree A love incision, my inner vision Loving on our hands and knees Always trying hard to please Never in my life have I Questioned or discovered why Live and discover Take from each other A love believing And never deceiving Loving on our hands and knees Always trying hard to please Never in my life have I Questioned or discovered why Him say leave now Give and believe how A love revealing My inner feeling
