

Chorus, (You Ain't) Home on the Range

Out in the land where the men are tough as cactus
Out in the land where the wild, wild west was won
Out in the land of the desperado
If yer as soft as an avocado
Yee-ha, yer quacamole, son
Home, home
This ain't it, pal
Home, home
Home on the range
Home, home
Better go git, pal
You ain't home on the range
Out in the land where the weak are target practice
Home, home
Home on the range
Out in the land where they shoot the mild and meek
Home, home
Home on the range
Out where the bad are a whole lot badder
If yer the type with a nervous bladder
Yip, yow, yer saddle's gonna reek
'Cause you ain't home on the range
Cowboy
Yer really up the creek
Home, home
Home on the range
Home, home
Home on the range
Home, home
Home on the range
Home, home
Home on the range
