

Chris And Conrad, I'm At Home

A heart can break a thousand times before it finds
The love that makes it beat again
I've had my share of ups and downs in this whole life
Nothing compares
To this love
It's our love
I'm at home when I'm with you
When you're with me worries fade away
This world can take the very life right out of me
And leave me broken on my knees
Sometimes I feel like I just can't go on
But you restore me
It's your love
It's our love
I'm at home when I'm with you
When you're with me worries fade away
I'm at home when I'm with you
When you're with me and in your arms I'll stay
I'll never find another
Closer than any other
It's you I love
It's you I love
It's you I love
It's you I love
It's you I love
