Aint no way

Aint no way (aint no way) im gunna let u down (let you down) i know its hard right now (hard right now)
Your the way (your the way) you would do me now (do me now) we need to get down (lets get down)
I aint never been with a gurl like you (like you), with perfumes and a body that curves like you (like you)
shorty tell me are you tryna keep all the goodies from me, cant you see what your holdin me like the
