

Chris Brown, Aint No Way You Wont Love Me

Ay, can I talk to you for a minute?
You new around here?
Girl ain't no way, I won't let you down
If you let me
(Just sayin')
I will show you how
(I like what I see)
Ain't no way
(Ain't no way)
I'm gone let you down
(Let you down)
I know it's hard right now
(Hard right now)
To say yes to me
But I'm gone make you say you love me
The way
(Girl the way)
You look to me now
(To me now)
We need to get down
(Let's get down)
You don't know but
I'm gone make you say you love me girl
I ain't never fell for a girl like you
With jeans and a body that curves like you
I don't really care what they say, when it comes to a difference of age
I can show you all the things I'll do
Break your heart, never raise my voice
Girl let down your guard
I know it's a lot to ask trust in me
But I can make a difference right now you'll see
Shorty tell me why you tryna keep all the goodies from me?
Can't you see what you holding, mean, that does to me
Every time you walk past
Ain't no way
(Ain't no way)
I'm gone let you down
(Let you down)
I know it's hard right now
(Hard right now)
To say yes to me
But I'm gone make you say you love me
The way
(Girl the way)
You look to me now
(To me now)
We need to get down
(Let's get down)
You don't know but
I'm gone make you say you love me girl

For a minute can you just think about us two?
Swervin' in my 645 SU
Me leanin' over the seat I'm passin' you
Your own set of keys, showin' you just how the teen got you
Trust and believe these words from me been said before
Trickin' ain't my MO
But girl you represent everything
That Chris is about so shawty please
Shawty tell me why you tryna keep all the goodies from me?
Can't you see what you holding me, that does to me
Every time you walk past
Ain't no way
(Ain't no way)

I'm gone let you down
(Let you down)
I know it's hard right now
(Hard right now)
To say yes to me
But I'm gone make you say you love me
The way
(Girl the way)
You look to me now
(To me now)
We need to get down
(Let's get down)
You don't know but
I'm gone make you say you love me girl
For you girl, I'll buy you anything
Just to have you close to me
'Cause you know ya lovin' is off the wall
Won't think to come, girl I'll take it slow
I ain't like the ones' ya know
I'm gonna make ya love me all night long
Ain't no way
(Ain't no way)
I'm gone let you down
(Let you down)
I know it's hard right now
(Hard right now)
To say yes to me
But I'm gone make you say you love me
The way
(Girl the way)
You look to me now
(To me now)
We need to get down
(Let's get down)
You don't know but
I'm gone make you say you love me girl
