

Chris Brown, Dying To Love

Verse 1:

I'm staring at the clock (It's a quarter to 3.)
I'm tossin' in my bed (cuz I just can't sleep.)
Cuz you're not here with me.
I'm reaching out for you.
I wish I could talk to you.
Tryna figure out what's going on with me.
I'm used to having all the answers for everything.
Oh girl.
I think she is the one.
Yo where is that coming from.

Chorus:

It's so crazy.
Baby you simply amaze me.
So much more when lately.
I owe it all to you (owe it all to you.)
All those games we used to play now seem so lame to me.
I'm coming down which is new to me.
All I know is that you are the cure cuz I been diagnosed with love.

Verse 2:

Does anybody know the answer to this question?
Cuz I'm confused and now I'm hoping for suggestions (Yeah).
My heart is talking loud (so loud).
What is this about?
I'm really changing now.

Oh

Cleared all the numbers out my phone.
Done left that old life alone.
Those are tow of the symptoms I see.
And I believe.
Oh girl I am sure...

Chorus:

It's so crazy.
Baby you simply amaze me. (You amaze me)
So much more when lately. (Yes I am)
I owe it all to you (owe it all to you.)
All those games we used to play now seem so lame to me. (I don't wanna play no more)
I'm coming down which is new to me. (So new to me...somebody help me)
All I know is that you are the cure cuz I been diagnosed with love.
