

Chris Brown, Fallin' Down

Sometimes I don't wanna wake up alone
But sometimes I wanna wake up and be on my own
Sometimes I don't wanna walk by your smile
But at the same time I don't wanna let people down
Can you imagine the weight of a world
Placed on your shoulders, trapped in this world?
And no one can reach you, wooh
So no one can help you now
It's getting heavy, I think I'm 'bout ready to break down
I'm standing up but I'm fallin' down
Time keeps on tickin' I wish there was a way to slow it down
Someone pick me up 'cause I'm fallin' down
Fallin' down, down, down, down
Down, down, down, down
Fallin' down, down, down, down
Down, down, down
Why is it so easy for you to blame?
I'm only human we're all the same
I've given up everything in exchange for being alone
I'm shaking these demons underneath all the pride, oh
Can you imagine weight of a world
Placed on your shoulders, trapped in this world?
And no one can reach you, wooh
So no one can help you now
It's getting heavy, I think I'm 'bout ready to break down
I'm standin' up but I'm fallin' down
Time keeps on tickin' I wish there was a way to slow it down
Someone pick me up 'cause I'm fallin' down
Fallin' down, down, down, down
Down, down, down, down
Fallin' down, down, down, down
Down, down, down
Fallin' down, down, down, down
Down, down, down, down
Fallin' down, down, down, down
Down, down, down
It's getting heavy, I think I'm 'bout ready to break down
I'm standin' up but I'm fallin' down
Time keeps on tickin' I wish there was a way to slow it down
Someone pick me up 'cause I'm fallin' down
It's gettin' heavy, I think I'm bout ready to break down
I'm standin' up but I'm fallin' down
Time keeps on tickin' I wish there was a way to slow it down
Someone pick me up 'cause I'm fallin' down
Fallin' down, down, down, down
Down, down, down, down
Fallin' down, down, down, down
Down, down, down
Fallin' down, down, down, down
Down, down, down, down
Fallin' down, down, down, down
Down, down, down
