

Chris Brown Feat. Lil Wayne, Gimme That Remix

What it is folk?

This right here is the 16-year-old phenom Chris Breezy

Me myself I'm the 23-year-old CEO, who?

Young Carter, harder than them other boys

I ain't even frontin' baby, I could take a summer off

I could break a woman off, I could take the stomach off

One of my trucks, now I'm ridin' in the goods

Line it on up, guarantee you'll get served

Lil' Chris said, Run It, so I run it to her

I'm that cash money young'n, Birdman Jr.

Just a president lookin' for a Monica

The young boy just turned 16

And I got 64's and hot bikes that I rock

Keep 3 or 4 sweeties on my clock

But all that swinging in that bikini just make 'em vicious

Slow all the traffic down to a complete stop

'Cause you speaking that slang that I talk

That sassy tempo with that walk

May be the reason that all these teenies may never see me

Momma you may be 3 years older but you hot

(Gimme that)

You be talking like you like what I got

(Gimme that)

I know you like it how I lean in the 'lac,

You could be in the back saying gimme gimme, gimme

Momma you may be 3 years older but you hot

(Gimme that)

You be talking like you like what I got

(Gimme that)

I know you like it how I lean in the 'lac

You could be in the back saying gimme gimme, gimme

Ma, take a break, let me explain to you

What ya body got a young boy ready to do

If you take a chance to let me put them things on you

I could show you why I make them straight A's in school

I'm a hustla, trust my frame and age

Got you thinking that I'm just too young to turn your page

I can picture us switching lanes in the coupe

With you on the phone screaming my name

(Chris!)

Momma you may be 3 years older but you hot

(Gimme that)

You be talking like you like what I got

(Gimme that)

I know you like it how I lean in the 'lac

You could be in the back saying gimme gimme, gimme

Momma you may be 3 years older but you hot

(Gimme that)

You be talking like you like what I got

(Gimme that)

I know you like it how I lean in the 'lac

You could be in the back saying gimme gimme, gimme

Woo womp, womp, woo womp, womp

Woo womp, woo womp

Girl you serious and I been watching you

Woo womp, womp, woo womp, womp

Woo womp, woo womp

This' what your body's saying

Woo womp, womp, woo womp, womp

Woo womp, woo womp

Woo womp, woo womp
