

Chris Brown feat. T-Pain, Greatness

[Chris Brown]

You see what I'm sitting on
The strip we sitting on
These right in front of the club
Shawty what you sippin` on
You see me gettin` grown
So baby just show me some love

[T-Pain]

Yeah I want a girl like you
I can tell that you're looking for a dude like me
When you smell what I'm cookin`
Let me know if you wanna ride

[Chris Brown]

Cause I aint got nobody on my passenger side
Baby I'm just hitting on ya
I wanna get to know ya
I dont wanna waste your time
And I`mma keep it real with ya
I wanna deal with ya
Even if its for one night

[T-Pain]

Baby I want a girl like you
I can tell that you're looking for a dude like me
When you smell what I'm cookin`

[Chris Brown]

I came to have some fun
I'll be on the dancefloor whenever you done

[T-Pain]

Shawty you the one

[Chorus]

I got to get ya
Got to get with ya
I can do this [for a month or two girl]
I got the plan
The beach with the sand
And you got the man [right in front of you girl]
And you movin` to the left, movin` to the right
You make me say wooh-oh [4x]

If you`re messin` with me
You gon` end up at top
And it wont stop

[T-Pain]

Cause you aint never met a dude as freaky as me
Girl I see dem hatin` on ya
Just keep on skatin` on `em
Now and later gaters on your feet
