

Chris Brown, Feelings Don't Lie

Ooh-oooh
Ooh-oooh
Yeah, yeah

Caught you poppin' tags on Rodeo, almost fell in love
Wasn't quick to catch no feelings, she was one-and-done
We just smoke, fuck and drink, just to sum it up
You was only down for yourself, now what's what's up with us?

She a one-of-one, love to run it up
She be tearin' up the city, shawty fun as fuck
Can't put a price on what we have, I'm 'bout to run it up
Really got me in my bag, I had to double up

You know I don't mind, the pleasure's all mine
Shawty, don't hide what you keeping inside
My feelings don't lie
My feelings don't lie
Tropical, your body change the weather
Caribbean terrain'll get you wetter
I love to watch you whine on me, bae
Can get it any time, any day (Yeah)

You be tryna turn us on and off
Why I gotta crawl before I walk? Baby
You need space, that's way too easy
Don't slow down, girl, you know you're my speed
That nigga had you up then got way too greedy
Way too needy, now you're stingy with your love
You was only down for yourself, now what's what's up with us?

She a one-of-one, love to run it up
She be tearin' up the city, shawty fun as fuck (Yeah)
Can't put a price on what we have, I'm 'bout to run it up (Run it up)
Really got me in my bag, I had to double up

You know I don't mind (Don't mind), the pleasure's all mine (All mine)
Shawty, don't hide (Don't hide) what you keeping inside
My feelings don't lie (Don't lie)
My feelings don't lie
