

# Chris Brown, Fine China

Auuu, how!  
Auuu!

Baby does he do it for you?  
When he's finished, does he step back, and adore you  
I just gotta know, cause your time is money  
And I wont let him waste it, ooh no no  
Baby, just go with it  
Cause you're with me, I can't explain it, it's just different  
We can take it slow or act like you're my girl let's skip the basics, oh woah

He's so replaceable  
You're worth it, chase ya, put it on

It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable  
A collectible, just like fine china

Baby, you're my favorite  
It's like all the girls around me dont have faces  
And I stay in ghost  
Like this gentle game, I done now playing

He's so replaceable  
You're worth it, chase ya, put it on

It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable  
A collectible, just like fine china

It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable  
A collectible, just like fine china

Give me a weapon, your love  
Ain't no a man of time, in this world  
Save me a lot of time, and just love me  
Deal it baby, deal it in your soul  
Are you ready?  
I know your heart being played, and you you belong with me

It's alright, I'm not dangerous  
When you're mine, I'll be generous  
You're irreplaceable  
A collectible, just like fine china
