

Chris Brown, From My Heart

Verse 1

Love jus hear me out for a second
mind if i ask you a question
Have you ever had a man that would make you cry.

baby jus look into my eyes
now doesn't it feels nice
to express how i lov you.

your my sweetheart from every sign above
with passionate kinds of love
i wanna give to you.

Chorus:

baby girl i wanna give my all to you
theres nothing in this world i would'nt do.
and to give you my heart
means everything to me,
and to give you my heart
from the sky to the doves and the sea
baby from my heart
that's how much you mean to me.

Verse 2

girl take my hand place it against your heart
in a heart theres a every heart beat,
I know you think every man is the same
as i kiss you with these lips you can count on me.

i chose to sing for you
would you let out a tear,
to pleasure every of your emotion is the reason why i'm here.
oooooh baaaaaaaby yeaaaaah!

chorus:baby girl i wanna givemy heart to you
theres nothing in this world i wouldn't do,
and to give you my heart
means everything to me,
and to give you my heart
from the sky to the doves and the sea,
baby from my heart
that's how much you mean to me.

Bridge:sugar as you lay down tonight think of me
to make you smile
until the next time i get to hold you
it won't be a while
'cause i know you need me
as well like i lov you.
