

Chris Brown, I Wanna Be

[Intro:]

[Sigh] Look... I know we've been friends for a while now... But, I just feel like I can confess to you...

[Verse 1:]

Imagine that the pillow that you cried on was my chest, and the tissue that you wiped your face with
Girl imagine if you needed advise about some other guy, I'm the one that comes to mind
Not tryna' hear you tell nobody that I'm just a friend, just trying to make sure I'm that body that you

[Chorus:]

The last number you call late at night... the first one that you dial when you open your eyes...
Wanna be the one you run to, wanna be one that ain't gon' hurt you, I wanna be yea, I wanna be yea
Be the man making your girls jealous, be the guy that's shuttin' down all the fellas... whatever you r

[Verse 2:]

Would it be cool, would you mind if I called you my boo, what if the next whip you was pushin' was
Can I be the one that meets your pops and take your mama shoppin', be the only one they like, wa
Have you thought about it, wait, really thought about it? Maybe you should take some time call you
'Cause' I done already made up my mind, don't need no more time to know if I wanna be with you,

[Chorus]

[Verse 3:]

Put me on your screen saver, all over your myspace and, make me one of your top favorites, that's

Cross my heart hope to die, on everything that's good, I'mma do you right, show you right, get this

[Chorus]

Girl I wanna be, I wanna be... sigh... I wanna be, I wanna be...
