how to party
We know how to party

I need your body and ways
That you understand
But I loosing my patient
Coz we've been going over and over again
Gir,,
I wanna just take you home
No..
I just gonna kiss you
Inside and out
You know I just wanna make love
You you to give me shout
And baby you need me
i.. down
Coz it's no speed limit
..
Why tour pussy is so demn good, miss?
