Oops I Mean A Red Clue... Wayne's Here... Suewoo
Bet He Felt That Like The End Of A Pool Cube
But I Ain't Bangin I Ain't Waving No Flag
I'm ATF But They Ain't Seeing No Badge
It's Heartbreak Drake I Hate To See Em So Sad
I Can Son You, See A Little Me In Yo Dad
I'm The Same Yellow Boy That Used To Play Up On Degraasi

And No The Game Really Ain't Shit Witout Me
She Might Have To Pay Me But I Dick Her Down Free
Wanna Kno If It's The Truth Then Pull The Zipper Down And See

[Chris Brown:]

I go by the name of Young Chris Breezy
It's hard to see me cause I'm fly as a plane and my swaggers in 3D
I do this in my sleep in otherwords it's really easy
New album coming soon and I'm calling it graffiti
They yellin' calm down Chris please take it easy
I am taking it easy but they do not believe me
Is it cause I'm getting this cash money like weezy
Riding in my Rambo listenin' to Jeezy
I got a Spanish chicka all she wanna do is please me and shorty got her face right above where my
Super freaky and I call her flavor of love cause she willin to do anything just to be on the tv
Hot as ever and that's something ya'll should know told you that I wasn't playin so in I go
Have you ever seen me on Rock City's live show
All I gotta say is PTFAO but enough about them now it's back to me
I'm on my grind everyday cause I gots to be
I'm on another level hommie and it's sad to see
That I'm killin it and I ain't even a rapper b
VA where it all goes down
The home of Clipse, Missy, Trey Songz, and your boy Chris Brown
I gotta represent hommie for my hometown
If you ain't know before nigga now you know now
While I'm at it let me wave a virgin islands flag
Cause if I don't rock citys gon get mad
I'm so fly that even when I'm not on a airplane hommie I be still getting jetlag
