

# Chris Brown, Stutter

Oh, woah

Oh, woah

When it's both of us, want your body up on mine  
I wanna hold you up (Up), closer every night  
'Cause you're one of a kind, I ain't gon' lie 'bout you, baby  
Let's do a little dance and cut a rug up, I know you got moves, yeah, yeah

'Cause I been fantasizing (On you)  
About you, shawty (Just a little)  
You know I been vibing (Just for a little)  
You got me

You got me in my feelings  
Stutterin' (Stutterin'), stutter-stutter  
You got me in my feelings  
Stutterin' (Stutterin'), stutter-stutter  
You got me in my feelings  
Stutterin' (Ooh, yeah, stutterin')  
Losing all control when you get close, yeah  
Stutterin' (Ooh, yeah), stutter-stutter  
You got me in my feelings (Yeah)

Trippin' on my words all night  
And you know that's a first for me  
Can't take it like you take my soul  
'Cause you got me outta body  
Apply the pressure, baby, don't you let up (Ooh)  
You showin' I matter (Matter)  
Got me trippin' 'cause you really fuck my head up

'Cause I been fantasizing (On you)  
About you, shawty (Just a little)  
You know I been vibing (Just for a little)  
You got me

You got me in my feelings  
Stutterin' (Stutterin'), stutter-stutter  
You got me in my feelings  
Stutterin' (Stutterin'), stutter-stutter  
You got me in my feelings  
Stutterin' (Ooh, yeah, stutterin')  
Losing all control when you get close, yeah  
Stutterin' (Ooh, yeah), stutter-stutter  
You got me in my feelings (Yeah)

All of the signs that lead to you  
I'm doing things I never do now  
You turned a heart I thought was  
Made for one into two, yeah  
And now I'm tired of the games, yeah  
And I'm hoping you feel the same  
You got me

Stutterin' (Stutterin', yeah), stutter-stutter  
You got me in my feelings  
Stutterin', stutter-stutter (Stutterin')  
You got me in my feelings (No, woah)  
Stutterin' (Ooh, yeah)  
Losing all control when you get close, yeah  
Stutterin' (Ooh, yeah), stutter-stutter  
You got me in my feelings  
Stu-stu-stutterin'
