

# Chris Brown, WE (Warm Embrace)

I can see your mind is overworked, boo (Yeah)  
Tension in your body when I touch you (Yeah)  
Girl, you deserve it  
I'm gon' make every second of this worth it  
Love how you do everything you do with a purpose, babe  
Focus, babe, oh-oh

Temperature keeps rising like Poseidon when you ride my wave  
Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah  
Whisper your desires, I'll provide 'em, will you say you'll stay tonight?  
'Cause when we done making love, clean it up

And I wanted to wrap you in  
My warm embrace  
And make it last forever  
Girl, I catch a glimpse of heaven  
When you let me wrap you in (Wrap you in)  
My warm embrace (My warm embrace)  
Visions of my hands in places  
My warm embrace

Take my chance and dive into your ocean, yeah  
Tried my best to give you all that you want  
Girl, before you leave, let me love every part of your anatomy  
And I want you to pour your pain on me, oh yeah

Temperature keeps rising like Poseidon when you ride my wave (Ride my wave, oh)  
Yeah-yeah-yeah-yeah (Oh-oh), yeah-yeah-yeah-yeah (Yeah-yeah)  
Whisper your desires, I'll provide 'em, will you say you'll stay tonight? (Yeah, yeah)  
'Cause when we done making love, clean it up (When we done)

And I wanted to wrap you in (Ooh-ooh, ooh-ooh)  
My warm embrace (My warm, my warm)  
And make it last forever  
Girl, I catch a glimpse of heaven  
When you let me wrap you in (In)  
My warm embrace (My warm embrace)  
Visions of my hands in places (Yeah)  
My warm embrace

Let me make it right  
Take my time inside  
I know you're way past due  
Give my all to you (Huh)  
Tonight gon' be about you, baby  
Give you somethin' that'll drive you crazy  
Will you say that you'll stay?  
'Cause when we done making love, clean it up

And I wanted to wrap you in (Oh, no-no)  
My warm embrace (My warm embrace)  
And make it last forever  
Girl, I catch a glimpse of heaven (Ooh)  
When you let me wrap you in (Let me wrap you in)  
My warm embrace (Oh, yeah, da-da-da-da)  
Visions of my hands in places  
My warm embrace

Wrap you in  
My warm embrace  
Make it last forever, baby  
Uh  
Oh, oh-oh-oh, oh-oh-oh, oh-oh-oh, oh  
My warm embrace

(My warm embrace, my warm embrace)  
(My warm embrace, my warm embrace)
