

Chris Brown x Deorro, Five More Hours

What you wanna do baby?
Where you wanna go?
I'll take you to the moon baby,
I'll take you to the floor
I'll treat you like a real lady,
No matter where you go
Just give me some time baby, cause you know
Even when we're apart I know my heart is still there with you
5 more hours till the night is us and I'm babe with you

This right here is my type of party
5 more hours, we're just getting started
This right here is my type of party
5 more hours, we're just getting started
(5 more hours, we're just getting started)

How you wanna feel baby?
What you wanna know?
Just pour another drink baby,
Come on pour a little more
I'll treat you like a real lady,
I'll keep you out the cold
I'll give you all my time baby,
You know even when we're apart
I know my heart is still there with you
5 more hours till the night is us and I'm babe with you

This right here is my type of party
5 more hours, we're just getting started
This right here is my type of party
5 more hours, we're just getting started
(5 more hours, we're just getting started)

I follow the sound of your heartbeat
How it always calls me, finding my way back to you
I'm feeling it more now than ever
I'll do this forever, just to spend a night with you

This right here is my type of party
5 more hours, we're just getting started
This right here is my type of party
5 more hours, we're just getting started
(5 more hours, we're just getting started)
