

Chris Cagle, Are You Ever Gonna Love Me?

Tell me what else can I do
Tell me what else can I say
The closer that I get to you
The further you push me away
Til I don't know where to go
And I don't know why I stay
Do you even care
Or am I some little game you play
Are you ever gonna need me baby
Like I need you
Are you ever gonna want me baby
The way I want you too
I know that you love me
Oh baby down deep inside i know that you do

But are you ever gonna love me
The way that i love you
I never know how you feel
Cause baby i can't read your mind
Do i just keep waiting, or am i just wasting time
Are you ever gonna need me baby
Like I need you
Are you ever gonna want me baby
The way I want you to
I know that you love me
Oh baby down deep i know that you do
But are you ever gonna love me baby
Are you ever gonna love me baby
The way I love yo
