

# Chris Cagle, I Love It When She Does That

She's got a way of making me feel strong  
A style and grace that's all her own  
And she's got a way of makin' me feel like a man  
Every time that she takes my hand  
The clouds roll back  
All my trouble's disappear  
Every time that she  
Draws me near, oh  
She's like a cool drink of water  
Every time she touches my skin  
Like a warm ray of sunshine  
When she whispers that she loves me  
And she let's me in, Lord  
She looks at me and I wind up on my knees  
She takes my heart and don't give it back  
Yeah, I love it when she does that  
She's got a smile that makes men weak  
Yeah, brother that's what happened to me  
And she's got a voice that moves me like a song  
And I could listen to it all night long  
Yeah, she ain't perfect  
And she don't pretend to be  
And everything that's wrong with her  
Is perfect for me  
She's like a cool drink of water  
Every time she touches my skin  
Like a warm ray of sunshine  
When she whispers that she loves me  
And she let's me in, Lord  
She looks at me and I wind up on my knees  
She takes my heart and don't give it back  
Yeah, I love it when she does that  
And like the stars at night  
Oh, that girl's my guiding light  
And I'll stay by her side  
For the rest of my life  
And take a cool drink of water  
Every time she touches my skin  
Like a warm ray of sunshine  
When she whispers that she loves me  
And she let's me in, Lord  
She looks at me and I wind up on my knees  
She takes my heart and don't give it back, lord  
Yeah, I love it when she does that  
Oh  
Hey  
She's like a cool drink of water, yeah  
She's like a warm ray of sunshine
