

Chris Cagle, If It Isn't One Thing

How do I love you let me count the ways
I could go for days
You keep giving me a reason to stay lost in you
You feel me up with passion
Still I never lose the hunger
If it isn't one thing
Baby it's another

[Chorus:]
Well mainly it's just kiss
The next thing it's your smile
There's no end to the ways you drive me wild
The perfume that you wear
You dress it to there
The way you run your fingers through my hair
When it comes to love
Girl you got me covered
If it isn't one thing
Baby it's another

You always find a way to make me strong
When my strength is gone
With just a word or two you always know
How to stir my soul
You're my shoulder and my shelter
My best friend and my lover
If it isn't one thing
Baby it's another

[Chorus:]
Well mainly it's just kiss
The next thing it's your smile
There's no end to the ways you drive me wild
The perfume that you wear
You dress it to there
The way you run your fingers through my hair
When it comes to love
Girl you got me covered
If it isn't one thing
Baby it's another

When it comes to love
Girl you got me covered
If it isn't one thing
Baby it's another...

Baby it's another...

How do I love you let me count the ways
You keep giving me a reason to stay lost in you
