

# Chris Cagle, Miss Me Baby

Miss me, baby when you hear our favorite song  
Miss me, baby and when you start to sing along  
Think about all the times that we danced  
In the light to it all night long, oh  
Then miss me, baby  
And want me, honey like you did the night  
You told me that you loved me  
We couldn't wait anymore  
Left the keys in the door, took my hand  
Pulled me down on the kitchen floor  
Yeah, we were that crazy, miss me, baby  
Because when he's holding you  
Know that it's killing me  
Let my memory be the reason girl  
That you can't sleep  
And every time you feel his touch  
I pray to God it's not enough  
And that I've touched your heart so deep  
Girl, you can't shake me 'cause I love you  
Yes, I need you, miss me, baby  
Miss me, baby until you can't take it no more  
Miss me, baby, pack your bags and hit the door  
I admit, I was wrong, forgive me, come back home  
I'll be waiting, right here waiting, miss me, baby  
Because when he's holding you  
Know that it's killing me  
Let my memory be the reason girl  
That you can't sleep  
And every time you feel his touch  
I pray to God it's not enough  
And that I've touched your heart so deep  
Girl, you can't shake me 'cause I love you  
Yes, I love you, miss me, baby  
And every time you feel his touch  
I pray to God it's not enough  
And that I've touched your heart so deep  
Girl, you can't shake me 'cause I love you  
Yes, I need you, miss me, baby  
Every time you hear this song  
Miss me, baby
