

# Chris Cornell, Nowhere But You

Chris Cornell  
Miscellaneous  
Nowhere But You  
Nowhere but you  
I'm gone until i'm within you  
Nowhere but you  
There is no (better) place that i've been to  
And if i'm condemned  
Let me rest on my pillow  
And dream of those moments so few  
And if i'm blessed  
I'll be chasing your shadow  
There i go  
Nowhere but you  
Nowhere but you  
Nowhere but you

When you were here  
I thought that i would never miss you  
When you were gone  
I felt that i had never lived here

And if i'm condemned  
Let me rest on my pillow  
And dream of those moments so few  
And if i'm blessed  
I'll be chasing your shadow  
There i go  
Nowhere  
Nowhere but you  
Nowhere but you  
Nowhere but you  
Nowhere  
But you
