

Chris Cornell, When Bad Does Good

standing beside
an open grave
you fate decided
your life erase

your final hour
has come today
lit by the fire
of your temples burning

you are a child
and so was i
no you're a hunter
but I am a lion
and I will cut your down
like I've done so many times
but sometimes bad can do some good
sometimes bad can do some good
sometimes bad can do some good

and I heard you say
flesh sells by the pound
when blood is raining down
it cuts deep river
and I'm diving
now shine a light down
onto the earth
and shake this gold dust out
out of the dirt
no saint beside me
and no prayers to guide me
but sometimes bad can do some good
sometimes bad can do some good
sometimes bad can do some good

I've chosen a side
and i will show no pity
and spare no lives
for those who try me
let it be understood
but sometimes bad can do some good
sometimes bad can do some good
sometimes bad can do some good
