

# Chris Daughtry, Crashed Into You

Well I was moving at the speed of sound.  
Head-spinning, couldn't find my way around, and  
Didn't know that I was going down.

Yeah, yeah.

Where I've been, well it's all a blur.  
What I was looking for, I'm not sure.  
Too late and didn't see it coming.

Yeah, yeah.

And then I crashed into you,  
And I went up in flames.  
Could've been the death of me,  
But then you breathed your breath in me.

And I crashed into you,  
Like a runaway train.

You will consume me,  
But I can't walk away.  
Somehow, I couldn't stop myself.  
I just wanted to know how it felt.  
Too strong, I couldn't hold on.

Yeah, yeah.

Now I'm just tryin' to make some sense  
Out of how and why this happened.  
Where we're heading, there's just no knowing.

Yeah, yeah.

And then I crashed into you,  
And I went up in flames.  
Could've been the death of me,  
But then you breathed your breath in me.

And I crashed into you,  
Like a runaway train.

You will consume me,  
But I can't walk away.  
From your face, your eyes  
Are burning to me.

You saved me, you gave me  
Just what I need.

Oh, just what I need.

And then I crashed into you,  
And I went up in flames.  
Could've been the death of me,  
But then you breathed your breath in me.

And I crashed into you,  
Like a runaway train.

You will consume me,  
But I can't walk away.

And then I crashed into you,  
And then I crashed into you,  
And then I crashed into you,  
And then I crashed into you,  
And I crashed into you,  
Like a runaway train.

You will consume me,  
But I can't walk away.
