

Chris Daughtry, Crashed Into You

Well I was moving at the speed of sound.
Head-spinning, couldn't find my way around, and
Didn't know that I was going down.

Yeah, yeah.

Where I've been, well it's all a blur.
What I was looking for, I'm not sure.
Too late and didn't see it coming.

Yeah, yeah.

And then I crashed into you,
And I went up in flames.
Could've been the death of me,
But then you breathed your breath in me.

And I crashed into you,
Like a runaway train.

You will consume me,
But I can't walk away.
Somehow, I couldn't stop myself.
I just wanted to know how it felt.
Too strong, I couldn't hold on.

Yeah, yeah.

Now I'm just tryin' to make some sense
Out of how and why this happened.
Where we're heading, there's just no knowing.

Yeah, yeah.

And then I crashed into you,
And I went up in flames.
Could've been the death of me,
But then you breathed your breath in me.

And I crashed into you,
Like a runaway train.

You will consume me,
But I can't walk away.
From your face, your eyes
Are burning to me.

You saved me, you gave me
Just what I need.

Oh, just what I need.

And then I crashed into you,
And I went up in flames.
Could've been the death of me,
But then you breathed your breath in me.

And I crashed into you,
Like a runaway train.

You will consume me,
But I can't walk away.

And then I crashed into you,
And then I crashed into you,
And then I crashed into you,
And then I crashed into you,
And I crashed into you,
Like a runaway train.

You will consume me,
But I can't walk away.
