Miscellaneous  
Ahhh

I'm sick of Vidal, your brother tried to get me to fall  
I'm kickin it raw, even in the thick of it all  
Run laps around wack cats, I hate DAT's  
Since way back, made great tracks, I lace raps  
Yo face that, before you catch aluminum bats  
from numerous cats with Run-D.M.C. on they hats  
You ain't gettin no show 'til your album out  
The label don't wanna spend money yo what's THAT about?  
No clout, had to settle for a fake amount  
While my catalogue bigger than your bank account  
No doubt, I'm the greatest all time fo' sho'  
Rev. Run comin through and leavin niggaz in awe

[Chorus] - 2X

[CD] Yo Run remember that night at the light in the back of the 6?  
[Run] Yeah I was mad the Knicks lost, I got a new whip  
[CD] Yeah I see, the Bentley Arnage, with the four doors  
[CD] What is that, for more horse?  
[Run] Nah son, for more tours  
[Run] I see you've been peepin me for quite some time  
[CD] Yo my bad  
[Run] Ain't a thing, nigga I noticed you rhyme  
[CD] Yo what a nigga gotta do to be more like you?  
[CD] A nigga like me ain't got a clue  
[Run] First things first I DJ, Run all the rappers  
[Run] Actors, they want status  
[CD] But they can't have this  
[CD] Since "Krush Groove" you been makin them papes  
[CD] A lot of rap movies been made since but most of them fake  
[Run] Thanks for the compliment kid, now jump BACK in your car  
[Run] It's the Reverend leavin niggaz in awe, that's real paw like

[Chorus] - 4X
