Chris De Burgh, A Woman's Heart

A woman's heart is filled with passion, A woman's heart is filled with lust, If you don't believe that these things happen, Could be the biggest mistake that a man can make;

A woman's night is filled with dreaming, Of the perfect man who may not be you, If we don't see what she's been missing, Could be the biggest mistake that a man can make,

She wants to get near to you, Don't turn her away, She wants to get through to you, She wants to say;

Give me your night,
And I will show you my passion,
Give me your lust,
And I will drink you dry,
Give me your dreams,
And I will show you a lover,
Give me your heart,
and I will hold you close,
And I will love you till the day I die.

A woman's day is filled with longing, For a little romance and company, If we don't look or just don't listen, Could be the biggest mistake that a man can make;

A woman's heart is yours forever, She will be true, to the one in her life, If we don't give her love and affection, Could be the biggest mistake, that a man can make.

She wants to get near to you, Don't turn her away, She want's to get through to you, She want's you to say;

Give me your night, And I will show you my passion, Give me your lust, And I will drink you dry....

Give me your dreams, And I will show you a lover, Give me your heart, and I will hold you close, And I will love you till the day I die.

She wants to get near to you, Don't turn her away, She want's to get through to you, She want's you to say,

Give me your night And I will show you my passion, Give me your lust, And I will drink you dry....

Give me your dreams, And I will show you a lover, Give me your heart, and I will hold you close, And I will love you till the day I die.
