Chris De Burgh, The Vision

And I saw a burning chariot, And the four horsemen of the apocalypse, Waiting on high, And I heard the thunder rolling in, And behold our leader on a pale horse riding in the sky;

And I saw this land a battlefield, With a hundred thousand men, Fighting hand to hand, And I heard the sounds of victory, And the rivers ran red with the blood of our enemies;

And I, I saw fire from the sky, I saw fire, and I saw paradise, (paradise), Fire from the sun, I saw fire, And I saw Alpha and Omega;

Fire, I saw fire, And I saw paradise, (paradise), Fire, I saw fire.
