

Chris Duarte, Just Kissed My Baby

Feel like a King, yeah
Well, I just kissed my baby
And honey
Don't mean a thing to me
Well, I just kissed my baby
Feel so good, yeah
Well, I just kissed my baby
I knew that I would
Well, I just kissed my baby
Oh, I just kissed my baby
Well, well, well, well
Hey no, I can't got wrong
All we ever do
Is try to get along, yeah
I feel brand new
Well, I just kissed my baby
And I'm goin' blind with nothin' to do
Well, I just kissed my baby
'Cause I feel so gosh darn great
I just can't wait
Oh, I just kissed my baby
Well, I just kissed my baby, I just
Oh, I just kissed my baby, I just
Well, I just kissed my baby, I just
Oh, I just kissed my baby
I just, oh
Yeah, oh so good
Feel so good inside
Well, I just kissed my baby
The power is on my side
Well, I just kissed my baby
I feel so gosh darn great
Just can't wait
I just kissed my baby
'Cause me and my girl, need a half a day
Well, I just kissed my baby, yeah
Go ahead on, go ahead on
Go ahead on, go ahead on
