Chris Eaton, Old Friends

There's a ring around the moon tonight And chilling wind But I don't have to be afraid Cause we're old friends There's a heartbeat of our Mother Earth And it's so deep within Oh, and I'm never short of company Cause we're old friends Chorus: So let it snow & amp;#039;til it& amp;#039;s ten feet deep Let the mist roll in 'Til I am too blind to see Let the waters rise Encircling me Old Friends -- we'Il always be And Heaven is a perfect place At the journey's end Oh and I'm looking forward to that day Cause we're old friends (Chorus) Old friends ... you and me Old friends ... we will be Old friends ... you and me Old friends ... we will be Old friends ... you and me Old friends ... we will be
