

Chris Garneau, Between The Bars

Drink up, baby, stay up all night
The things you could do
You won't but you might
The potential you'll be that you'll never see
The promises you'll only make
Drink up with me now and forget all about
The pressure of days and do what I say
And I'll make you okay and drive them away
The images stuck in your head
The people you've been before
That you don't want 'round anymore
Or that push and shove
And won't bend to your will
I'll keep them still
Drink up, baby, look at the stars
I'll kiss you again between the bars
Where I'm seeing you there
With your hands in the air
You're waiting to finally be caught
Drink up one more time and I'll make you mine
I'll keep you apart deep in my heart
Separate than the rest where I like you the best
And keep the things you forgot
The people you've been before
That you don't want 'round anymore
Or that push and shove and won't bend to your will
I'll keep them still, I'm the people you've been before
That you don't want 'round anymore or that push and shove
And won't bend to your will, I'll keep them still
