

# Chris Isaak, Breaking Apart

Just another day without you.  
I'll be okay without you .  
I'll be fine.  
I'll be alright.

I'll find some one new without you.  
Somebody just like you but not you.  
I'll be alright.  
Say I'll be alright.

But  
I'm breaking apart inside.  
I'm breaking apart inside.  
I cry in my sleep at night.  
I'm breaking apart without you.

I hardly ever think about you.  
I said I'd call but I don't need to.  
I'll be fine.

I've got so much to do without you.  
I said that I'd be lost without you.  
I'll be fine.  
Just give me time.

Cause  
I'm breaking apart inside.  
I'm breaking apart inside.  
I cry in my sleep at night.  
I'm breaking apart without you.

And I'm hoping, you're doing fine too

I don't wanna sleep without you.  
Dreams don't mean a thing without you.  
I feel so alone without you.  
Baby come back I need you.

I'm breaking apart inside.  
I'm breaking apart inside.  
I cry in my sleep at night.  
I'm breaking apart without you.

And I'm wondering, if you're doing fine too.
