

# Chris Isaak, Can't Do A Thing (To Stop Me)

Here I go again, dreaming, here I go again.  
(Can't do a thing to stop me now)  
(Can't do a thing to stop me now)

Having a good time baby, wish you were here.  
Thinking about you baby, it feels like you're near,  
And you can't do a thing, to stop me.  
(Can't do a thing to stop me now)  
No you can't do a thing, to stop me.  
(Can't do a thing to stop me now)

Days can be lonely, nights dreams come true.  
Making love with somebody, exactly like you.  
And you can't do a thing, to stop me.  
(Can't do a thing to stop me now)  
No you can't do a thing, to stop me.  
(Can't do a thing to stop me now)  
Oh try.

(Can't do a thing to stop me now)  
Can't do a thing to stop me  
(Can't do a thing to stop me now) Oh.  
(Can't do a thing to stop me)

Couldn't stop myself if I tried.  
Because I got you too deep inside.

And you can't do a thing, to stop me.  
(Can't do a thing to stop me now)  
No you can't do a thing, to stop me.  
(Can't do a thing to stop me now)  
Try.
