

# Chris Isaak, Cheater's Town

I'm ridin' round this cheater's town  
Every place I go just bringing me down  
I don't know when, I don't know if  
I'm ever coming home  
I got a broken heart torn all in two  
'Cause every place I look I picture him and you  
Don't know when, don't know if  
I'm ever coming home?  
Yeah baby you lied to me, you lied to me  
You stood there, you smiled, you opened your heart and you lied  
And I don't know when, I don't know if  
I'm ever coming home, never coming home  
I'm drivin slow, don't know where I'm goin'  
I thought you loved me too, but I was always alone  
I don't know when, I don't know if  
I'm ever coming home - coming home  
I got a broken heart torn all in two  
'Cause everything I had I gave it all to you  
And I don't know when, I don't know if  
I'm ever coming home - coming home coming home  
Oh baby you lied to me, you lied to me  
You opened up your little black heart, you smiled and you lied  
I don't know when, I don't know if  
I'm ever coming home?  
Oh I don't know when, I don't know if  
I'm ever coming home  
?Oh I don't know when, I don't know if  
I'm ever coming home - coming home
