

# Chris Isaak, Cryin'

You tell me stories that I wish were true. But I know better than believe in you.  
I keep on cryin', I keep on cryin'.  
You talk in circles and you laugh at sin. I think it's over then it starts again.  
I keep on cryin', I keep on cryin'.  
You say that you love me, that you'd never leave me cryin'! I keep on cryin'.  
Cry...cry....  
Oh mama save my soul, say you won't hurt me no more.  
I keep on cryin', I keep on cryin'.  
You say that you need me, that you'd never leave me cryin'! I keep on cryin'.  
Cry...cry.... You make it easy to cry.  
Oh mama save my soul, oh mama save my soul.  
Keep on cryin', keep on cryin', keep on cryin', cry....
