

# Chris Isaak, I Want Your Love

Put out your hand, open up your heart.  
How can I love you when we're so far apart?  
And all I want is your love.  
All I want is your love.

Put out your hand, open up your mind.  
How can you love me then just leave me behind?  
When all I want is your love.  
When all I-I want is your love.

Here I am waiting for you, here I am all alone.  
Here I am waiting for you, tell me what went wrong.  
All I want is your love.  
All I want is your love.  
I want your love.

Tell me that you love me, that you're never going leave me,  
That you're never gonna hurt me, that you never will deceive me,  
That you're thinking that you'll see me, that you're always thinking of me,  
Tell me.  
You want my love, you want my love.

Put out your hand, open up your heart.  
How can I love you when we're so far apart?  
When all I want is your love.  
All I want is your love.

Here I am waiting for you, here I am all alone.  
Here I am waiting for you, tell me what went wrong.  
All I want is your love.  
All I want is your love.  
I want your love.

I want your love.  
Oh.  
Yeah.  
I want your love, I want your love.  
Oh, I want your love.
