

Chris Isaak, You Don't Cry Like I Do

You don't lie awake at night like I do.
Cause you don't feel the way I feel about you.
You don't know how much this whole thing hurts me.
Cause you don't cry, cause you don't need me now, cause you don't want me now.
You don't want me, cause you don't love me. That's what kills me.
You don't lie there wishing you could kiss me.
I bet you don't even miss me.
You don't know how much this whole thing hurts me.
Cause you don't cry, cause you don't need me now, cause you don't want me now.
You don't cry, cause you don't need me now, you don't want me.
You don't want me, you don't love me. That's what kills me.
How long will my heart wait?
Each night I pray to be with you.
How will long will this heart ache?
Until the day you love me too.
Well you don't cry, cause you don't need me now, cause you don't want me now.
You don't want me, cause you don't love me. That's what kills me.
You don't lie awake at night like I do.
Cause you don't feel the way I feel about you.
